

# HOW TO CONTRIBUTE

Contributions to CEA in any form are deeply valued and appreciated. All contributions and support received are used to *create a safe, healthy and sustainable future for all.*

## **Every bit of help counts!**

You can make a difference too by lending your support in the following ways:

- Donate your used computers, printers and cell phones. Someone needy in the community will benefit from it and you will help protect the environment!
- *Adopt a Family* and help them get access to computer technology and skills for life. Your help will open up a new world for a less-privileged child and family in the community! Give us a call for more details!
- We are always looking for helping hand. Let us know if you would like to volunteer your time and skill.
- If you value what we do please help us by making a donation to CEA. Donation of any amount helps us immensely in carrying our mission. Please make the cheques payable to:

# GET INVOLVED!

Volunteers are the backbone of CEA and the reason for our success! Our volunteers help us with:

Program planning  
Administration  
Special Events  
Board Member  
Community Outreach

If you are a passionate individual wanting to make a difference we would like to hear from you.

Please visit [www.communityenvironment.org](http://www.communityenvironment.org) for more details on how you can volunteer with various programs and to fill out online application form.

Give us a call or send us an email at:  
[info@communityenvironment.org](mailto:info@communityenvironment.org) .

***Join us in the journey of building a safe,  
healthy, sustainable future for all.***

**Education | Empowerment | Equality**

**Dedicated to building  
a safe, healthy, and sustainable  
community by enhancing the  
quality of life of people  
and protecting  
the environment.**

# ABOUT CEA

## WHO WE ARE

Community Environment Alliance of Peel (CEA) is a registered, non-profit, community-based organization dedicated to sustainable community development through education and empowerment.

## Our Mission:

- To educate people on environmental protection and resource conservation.
- To alleviate poverty and help improve the quality of life of people.
- To enhance social equality and promote diversity.
- To help strengthen local economy.

## OUR VISION

**A safe, healthy, sustainable future for all.**

*"Let us not look back in anger or forward in fear, but around in awareness."*

*Living together is an art."*

-James Thurber,

William Pickens

# SERVICES

## Share-IT: Computers for Community & Mobile TakeBack

Ever thought of donating your used computer or cell phone for a good cause while protecting the planet? Consider our **award winning Share-IT program**. It places refurbished computers and peripherals into the homes of disadvantaged families and recycles unusable components to ensure electronic waste diversion from landfills. Call us to get a list of accepted items.

## Shape The Future (STF) Ambassador Program

*Dare to dream. Excite. Innovate. Create and act.* Join CEA's STF Ambassador Program for *fun, laughter, and action!* The STF Ambassador Program empowers, nurtures, and grooms youths (13—19 years) as 'global citizens and community stewards' through experiential learning and leadership skill-building.

## EnergySmart Program

*Get EnergySmart—one bulb at a time!* The program aims to create energy efficient communities for a sustainable future for us.

Youth ambassadors are actively engaged in shaping an *EnergySmart* future as they educate their communities on how to reduce energy footprint and embrace renewable options.

## Healthy Community Initiative (HCI)

HCI uses a participatory model where the community is educated, empowered and engaged to work on local issues that affect our health and the quality of life. Our foci include:

- Preservation of environmental health & natural heritage
- Fostering healthy, active lifestyle
- Peace, diversity & community vitality

## Active Living for a Healthy Community (Act-Heal)

*Enjoy fun, interactive, community friendly Act-Heal sessions with basic yoga and simple aerobics in a calm and soothing environment. Enhance physical, emotional and mental health by nurturing your body, mind and spirit. Sessions customized for youths, seniors and New Canadians; Get active, get healthy, experience life with Act-Heal:*

- Simple yoga
- Basic aerobics
- How food affects all aspects of life

## Eco-Art in Action & Education

Call us to host fun-filled, hands-on workshop to 'create treasures out of trash'. Learn how you can protect the environment while using your talent, creativity and ingenuity! Sure hit with all.
