
Here's a way to get rid of your old computer

Community Environment Alliance is hosting a neighbourhood collection of used computers, printers, scanners and cell phones for its Share-IT: Computers for Community program.

Share IT: Computers for Community is an initiative to provide low income and under-privileged families in Peel with access to basic IT equipment while promoting community-based reuse and recycling of used IT equipment.

CEA seeks donations of such things as computers, printers, scanners and cell phones. Non-reusable components are recycled in an environmentally safe way, limiting the risk to human health and the environment.

Drop of your used equipment at Chinguacousy Curling Club and Tennis Centre parking lot, 9050 Bramalea Rd., Saturday, Oct. 23, from 10 a.m. to 2 p.m.

Share IT: Computers for Community is funded by the Ontario Trillium Foundation.
