

# Community Environment Alliance

EDUCATION • EMPOWERMENT • EQUALITY

August 9, 2004

## Media Advisory

### Share-IT: Computers for Community program aims to reach out to those in need of used IT equipment

Community Environment Alliance is hosting its first **Neighbourhood Collection of used computers, printers, scanners and cell phones** as part of its **Share-IT: Computers for Community** program.

#### WHERE to drop of your used equipments:

Frank McKechnie Community Centre and Library  
310 Bristol Road East  
Mississauga, ON  
(Main Intersection: Kennedy & Bristol)

#### WHEN:

Saturday, August 21, 2004  
10am-4pm

Share IT is an initiative to collect used IT equipments to distribute refurbished computers and peripherals to the underprivileged and low income families in Peel. Unusable components/equipments will be recycled in environmentally safe way to limit the risk to human health and the environment.

CEA is a registered, community-based, non-profit organization dedicated to creating safe, healthy and sustainable community by improving the quality of life of people and the environment.

**Share IT: Computers for Community** is made possible with generous support from the Ontario Trillium Foundation. Our special thanks to FutureWatch and IT Association of Canada (ITAC) as our partners in this initiative.
